Hopefully you will by now have downloaded our **new APP**. This new initiative should, as well as saving paper be a more effective tool to communicate with you as parents / carers & even grandparents can have it too. You will be able to book ASC, Parents' Evenings (including the one for Dolphins class in February), report absence, give consent for trips & change your contact details too. We are hoping not to send any paper out at all but will still send out via email. **PLEASE ACTIVATE ASAP**. If you haven't had a code or are having problems downloading please see the office staff.

Congratulations to Mrs. Barton & Mr. J. Ainslie who both won our January 100 club - £28 & £5 respectively.

Free online safety workshop for parents and carers

Reminder: **Thursday 14th February at 3:15pm** Don't miss out on this great opportunity!

Over the past week we have had 25 children late for school & of these 9 children more than once. It is really important that your child doesn't miss the start of the lesson when the teacher explains to the class what they are doing which can result in your child missing the skills required to succeed in the lesson.

Please bear in mind that 10 minutes late every day amounts to 32 hours missed in a whole school year.
