World Book Day

Next Thursday is World Book Day - **World Book Day** is a registered charity on a mission to give every child and young person a book of their own. It's also a celebration of authors, illustrators, books and (most importantly) it's a celebration of reading.

All the children will be given a book voucher which they can use in shops or at our book fair which is arriving in March.

In school **ON FRIDAY** we are celebrating by asking the children to dress up as a book character (or non-uniform), in exchange for £1 which we will use to buy new reading books for use in school.

On this day the children will also be sharing bed time stories, talking about favourite books and authors. There will be a school council competition to design a new book cover and blurb for a favourite book.

Roblox

Roblox is a very popular app at the moment and has lots of different games for children to play.

We just want to make parents aware that it does have an 'chat' feature and as it is an "open site" children could be talking to anyone. Parental monitoring of chats is really important for keeping children safe online.

School Traffic

Thanks to parents for following our "unofficial one way" system, not blocking residents' driveways and not parking on the single yellow lines near the school gates. There is a lot of traffic at the beginning and end of the school day – and the vast majority of the time there are no issues at all. Thank you for your co-operation.

Our Gospel Value for February is "**Forgiveness**" "**Courageous people do not fear forgiving – for the sake of peace**" Thank you Noah, Oscar, Millie C, Pippa, Filip, Rebekah, Mia P & Lilli who have demonstrated this value this week.

Safeguarding our Children

We have identified a safeguarding issue for children involved in after school activities and clubs as we have been leaving the playground gate open so that parents can come into school to collect their children. However, this means that anyone can walk in to school without being checked.

We now lock the gate and will bring children out via the main entrance.

We plan to install a gate round the back of the school for before and after school club with buzzer access.

100 Club

Congratulations to Mrs. N. Bunev who has won this month's draw.
