ASC Afternoon Tea & Easter Disco

Next Thursday 19th March the staff in After School club will be showing the children how to make an Afternoon Tea - sandwiches & cakes. The children will dress the tea stands & serve each other. If you wish your child to stay on this night, please pay on ParentPay (ASC/Theme Night). The charge is £3.50 & it will finish at 4:45 pm.

On Tuesday 31st March there will be an Easter Disco in After School club. As above pay on ParentPay on ASC/Theme Night & put Disco in the notes if you would like your child to attend. Thanks.

Coronavirus

We are currently receiving daily updates and advice from Public Health England, Department for Education, N.H.S. and Gov UK and we will follow the advice given.

The advice at the moment is that schools should remain open. If you know that you and/or your child has been in a risk area, then you must act in the common good and inform school. A period of self-isolation should then take place as per official advice. Pupils will be reminded about excellent hygiene standards while at school and, while this period of concern continues.

We will continue to track the latest advice on a daily basis and will inform parents immediately should the stated position need to change.

Spring / Summer Meal Menu

Choices are now on our APP for children who have school dinners on any day. Please complete the choices A.S.A.P.
The new menu will start after Easter.

Road Safety

Please ensure your children walk on the pavement before & after school. We have had reports of children running into the road & this is extremely dangerous when cars are around. A reminder that cars should not park on the yellow lines outside school and / or do a 3 point turn in front of the gates.

PE Kits in Dolphins & Seahorses

After Easter we only ask parents to ensure their children have pumps in school. On PE days the children will come in black joggers & their school jumper. Dolphins P.E Days are Monday & Tuesday.
Seahorses are Monday & Thursday.

Our Gospel Value for March is "**Sacrifice**" "To do what is right and just is more acceptable to the Lord than sacrifice". Thank you Joey, Katie, Millie, Calym, Georgia, Oliver M & Issac who have demonstrated this value this week.
